Article 3 Eligibility and Selection Criteria

Section 3.01 Able-bodied athletes

A. Selection criteria:

The selection of the NB team will be based solely on performances:

- The Canada Games Trials competition from May 5-8, 2022, is the most important competition. The athlete will select a maximum of 7 swims before the beginning of the Trials (May 5, 2022), and sign the Canada Games document.
- The NB Spring Championships competition from March 25-27, 2022, is more of a preparation competition. The athlete chooses a maximum of 7 swims which may be the same 7 swims or part of the ones from May.
- The best time will be counted for the swimmer who chooses the same events in March and May.
- In the open category finals, not the age group category (see exemptions in section 2.04.);
- Note that no performance during relay events or time trials will be considered in the selection.

B. Selection procedure:

Any swimmer wishing to compete in the Canada Games Trials must meet the eligibility criteria above and must choose, within the authorized time periods, a maximum of 7 events that she/he intends to swim (no changes will be accepted). Results of the Spring Championships (March 25 - 27, 2022) and the Canada Games Trials (May 5 - 8, 2022) will be combined to provide a ranking (best performances) using the most recent FINA rating table. Team NB will be selected using the following three step selection process, with progression to the next step only if there are unfilled places on the team.

Step 1 All first-place finishers in each event must reach the current FINA LC minimum score of 400 points for that event (no FINA points necessary for the 3Km event). If there are more than 12 event winners of either sex, the winner of the 3km event will be selected first and the remaining 11 winners of each event will be selected according to the best current FINA LC scores.

Step 2 All second-place finishers (excluding the 3km event) will be ranked according to the total FINA LC points for each of the individual events in which they placed second.

All athletes arriving in 1st place without reaching 400 points or arriving in 2nd place (excluding the 3km event) will be ranked according to the total number of FINA LC points for each of the individual events in which they arrived in 1st or 2nd place".

Step 3 The athletes with the highest score by current FINA LC rating in the individual 100m and 200m freestyle events will be considered for the relay. If the first and second place finishers

in each of the 100m and 200m freestyle events have already been selected, then the swimmer with the next best FINA rating in either of these events will be selected provided that the swimmer has reached the minimum current FINA LC rating of 400 points.

Composition of the Team will be announced at the end of the Canada Games Trials on May 8, 2022

Tie breaker

Step 1 In the event of a tie between two or more swimmers ranking is determined firstly by the number of first places and then (if swimmers are still tied) by the total FINA LC points for the events in which they gained first place.

Step 2 In the event of a tie between two or more swimmers ranking is determined by the highest FINA LC points for the events in which they gained second place.

Step 3 In the event of a tie between two or more swimmers ranking is determined by the highest FINA LC points in any of the 7 events not already considered in ranking.

C. Canada Games registration

Final individual entries and relay team composition will be determined by the Canada Games Swimming New Brunswick coaching staff. Athletes who are selected for the team on the basis of a first or second place in the Canada Games Trials will swim that event at the Canada Games unless the athlete and head coach of the New Brunswick Canada Games swimming team can provide reasonable grounds for not doing so. These grounds must be communicated in writing to the athlete and the coach, with a copy to be sent to the SNB Executive Director. Athletes who did not swim in the final of an event at the Spring Championships or the Canada Games Trials will not swim that event at the Canada Games unless there are no other qualifying athletes.

Section 3.02 Para swimmers and Special Olympic Swimmers selection:

Para swimmers and Special Olympic swimmers must participate in at least two swim meets sanctioned by Swimming New Brunswick between September 1, 2021 and the end of the Canada Games Trial. The qualifying events for the first round of selection are those of the best performances in the of the Spring Championship or the Trials. The places for Para swimmers will be filled according to the combined FINA Para LC points from three events (no matter what style of swimming).

In the event that the places on the team reserved for para swimmers are not all filled at the Canada Games Trials, the combined FINA Para LC points from three events, from any sanctioned competition between September 1, 2021 and the Canada Games Trials will be considered, in descending order of points.

A. Tie Breaker

In the event of a tie for the last place on the team, the swimmer with the highest current FINA Para LC points in an event during any sanctioned competition will be selected. If the tie persists, the next highest FINA Para LC points will be used, and so on.

B. Canada Games registration

Individual entries will be determined by the Canada Games Swimming New Brunswick coaching staff, with the presumption that any athlete who wins a Spring Champs or a Canada Games Trials event will swim that event in the Canada Games event unless the athlete or head coach of the New Brunswick Canada Games swimming team provides reasonable grounds for this not to be the case.

Section 3.03 Uncontrollable circumstances

In the event of unforeseeable or unusual circumstances determined by the Swimming New Brunswick Selection Committee, the committee has full discretion to resolve the matter in its sole discretion, considering the factors and circumstances deemed relevant.

A. Swimmers outside the country

Swimmers who will be out of the country for a post-secondary student exchange and / or study program and who are unable to attend Canada Games trials and who otherwise meet all selection criteria may apply for exemption from the requirement to attend Canada Games Trials. The exemption request must be presented to the Canada Games Selection Committee by January 1, 2022. The technical committee may accept that the swimmers result from a single long-course swim meet to be appointed by the selection committee, instead of spring champs or Canada Games Trial meet results. The replacement swim meet must be conducted in accordance with FINA rules and regulations and sanctioned by a governing body affiliated with FINA, and the results must be available before the start of the second Canada Games trials. The Canada Games team selection will be performed according to the selection criteria 3.01-3.03 using the results from the replacement swim meet.

Section 3.04 Coaching staff selection

All coaches wishing to be part of the Canada Games Team should submit a written request to the SNB Board explaining why they should be selected.

To avoid a potential or perceived conflict of interest, members of the Canada Games Selection Committee or SNB staff members who wish to be considered in the selection process must exclude themselves from the selection process.

All coaches selected for the Canada Games Team must be registered with Swimming Canada and Swimming New Brunswick and be members of the Canadian Swimming Coaching and Instructors Association (CSCIA) in good standing. The head coach must be a certified head coach (Level 3 certified status). Other coaches (except Special Olympics) must be either trained to head coach (Level 3 trained status) or be NCCP Age Group Coach certified.

Special Olympics coaches (maximum 1 per province) must be a certified fundamental coach (Level 1 certified) who has completed the Introductory Course in Special Olympics Canada competition. Coaches must hold required status no later than 90 days before the opening of the Games.

Section 3.05 Review

These selection criteria will be reviewed by the Canada Games Committee, the SNB Board and other coaches within three months after the Games in preparation for the following Canada Games cycle.

Article 4 Disciplinary Measures and Appeals

Section 4.01 Disciplinary measures

A. Able-bodied and PARA athletes

The team management will be made up of the team manager and coaches of the New Brunswick Canada Games NB Team. In the event that an athlete does not respect his commitment or violates the rules of the team in terms of training or misconduct, the management of the team, based on all the recorded facts, can impose disciplinary measures, including the dismissal from the team.

B. Special Olympics athletes

Athletes must comply with the SONB Code of Conduct, which includes disciplinary procedures. All appeals by Special Olympics athletes must be submitted to the SONB office and an appeal committee appointed by the SONB will make a decision.

In the event that a Special Olympics athlete does not honor their commitment or violates the team's rules for training or misconduct, the coach assigned to the Special Olympics athlete, relying on all recorded facts, will have the power to make recommendations to SONB regarding any decision to any disciplinary action that may be necessary.

Section 4.02 Appeals

If an athlete believes that selection or disciplinary processes have not been applied fairly, then the athlete, the coach or the parents/legal guardian may appeal the decision in accordance with the SNB Appeal Policy (Appendix D). A "Fast Track" process will apply, requiring the appeal to be submitted within five days of the athlete being advised of the decision and the Appeal Panel will aim to render its decision within 14 days of the appeal being submitted.

Article 5 Eligibility

In the event of a discrepancy between this document and the 2022 Canada Games swimming technical guide, the information contained in the technical guide will take precedence.

Canada Games Selection Flowchart

Swimmers select a maximum of 7 events for the Canada Games before the beginning of the Trials (May 5th 2022) and sign the Games document (Appendix B) and compete in at least one of the two Canada Games qualifying events.

The best results of these two qualifying competitions are combined to determine the ranking and FINA points of each swimmer.

Step 1

Winner of the 3km event is selected for the team

All event winners with at least 400 FINA LC points for that event.

- If **more than 11 winners** of either gender, then top 11 winners are selected according to the best FINA LC points for that event.
- If **two winners are tied**, then ranking is determined by number of first place finishes, followed by top FINA points for each event which the swimmer won.
- If **fewer than 11 winners with 400 points** of either gender, then proceed to Step 2.

Step 2

All second-place finishers (excluding 3km) are ranked by accumulated FINA LC points in all the individual events for which they finished second.

- If **two second-place finishers are tied**, then ranking is determined by the highest points of the best second place.
- If **fewer than 12 swimmers** of either gender have been selected, then proceed to Step 3.

Step 3

Swimmers with the highest score by current FINA LC rating in the individual 100m and 200m freestyle events will be considered for the relay.

- If the first and second place finishers in each of the 100m and 200m freestyle events have already been selected, then the swimmer with the next best FINA rating in either of these events will be selected, provided that the swimmer has reached the minimum current FINA LC rating of 400 points.
- If **two swimmers are tied**, then ranking is determined by the highest FINA LC points in any of the 7 events not already considered in ranking

Team is announced at the closing of the Canada Games Trials

The president shall not determine if the error has been made, only if the appeal is based on such an allegation of error by the respondent. In the absence of the President, a member of the Executive shall perform this function.

6. If the appeal is denied on the basis of insufficient grounds, the Appellant shall be notified of this decision in writing, giving reasons. This decision is at the sole discretion of the President, or designate, and may not be appealed.

APPEALS PANEL

7. If the President is satisfied that there are sufficient grounds for an appeal, within 10 days of having received the original notice of appeal he or she shall establish an Appeals Panel (the "Panel") as follows:

10. In order to keep costs to a reasonable level the Panel may conduct the appeal by means of a conference call or video conference.

APPEAL DECISION

11. Within 7 days of concluding the appeal, the Panel shall issue its written decision, with reasons. In making its decision, the Panel shall have no greater authority than that of the original decision-maker. The Panel may decide:

19. This policy shall be governed and construed in accordance with the laws of the Province of New Brunswick.
